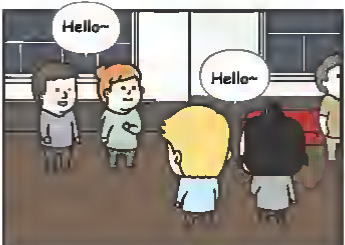
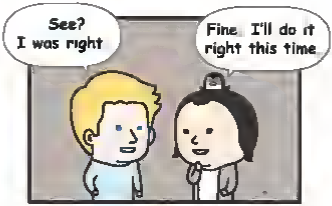
Dance Club

Mev and I are going to a dance club once a week.



We sometimes miss the class
but. .

.. anyway, we've been learning some dances for the last few months.

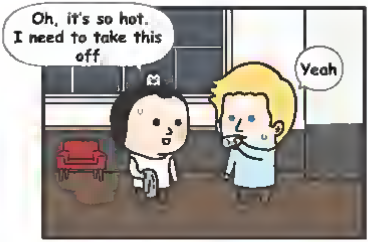


Our skill is not so great and we make many mistakes while we dance.

But we always enjoy the time.

Let's have a break.
Have some drinks

And go to toilet
if you need to.



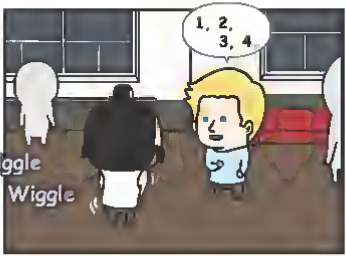
Oh, it's so hot. I need to take this off.
Yeah

Mev. Let's get some dancing shoes as we're coming here regularly
Let's see

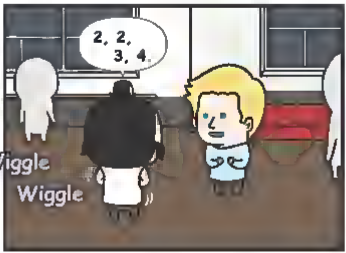
You know, what we've just learnt,
I feel awkward when I raise my hand while I wiggle my bum
Ahh! How about this?
You dance that motion and if you do well we will buy some dancing shoes

I needed to show Mev my dance move to get a pair of dancing shoes.

Ready? One, two, three, go!



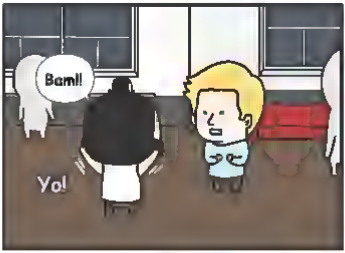
1, 2, 3, 4
Wiggle
Wiggle



1 2

1-

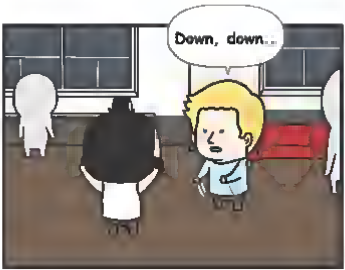
2!



I felt like I was pretty good.

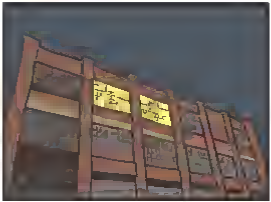
Somehow, Mev shook his head
and showed me a negative response

Why...



Why??

God



Damn it.
